1.0 Internal Guides

The regulated entity has the following internal manuals used by journalists, of which copies are available on request by the Regulator:

- The Editors Code
- Online Staff Handbook

1.0 Compliance Procedures

How the Regulated Entity deals with:

1 Pre-publications guidance under regulation 4.5

Where required editors and journalists seek advice from IPSO in advance of publishing articles to consider matters of compliance with the Editors Code. This advice is then considered alongside editorial guidance and the public interest when refining and publishing any articles.

1 Verification of stories

Journalists and Editors take all appropriate steps to confirm stories.

1 Compliance with the Editors Code

Copies of the Editor's Code are supplied to all journalists, as well as copies listed on the intranet/shared drives. Where the Regulator finds against a publication in the course of assessing a complaint, the publication complies with the findings and any remedial action required.

1 Editorial Complaints, Determined under Regulation 19

The Condé Nast Publications Ltd has a standard complaints procedure across all publications, which is published on the website of each title. Members of the public can register and editorial complaint under this procedure by completing an online form, sending an email or by submitting a complaint in writing to the company address.

Complaints received in line with the published procedure, or referred from IPSO, are logged on a complaints record and then assessed by the responsible person, who will seek to resolve the matter with the complainant. Complaints that fall outside the procedure, i.e. are not editorial complaints, are logged and referred to the relevant department/person.

Where the Regulator finds against a publication when determining a complaint under Regulation 19, the publication complies with the findings and any remedial action required by the Regulator.

1 Training of Staff

When required, The Condé Nast Publications Ltd arranges staff training sessions to update staff on regulatory changes. New joiners are supplied

with a link to the staff handbook and copy of the Editors Code.
