1.3 Overview

The Regulated Entity's magazine was founded in 1941 and also publishes a digital edition of the magazine as well as e-newsletters.

2.0 Internal Guides

The regulated entity has the following internal manuals used by journalists, of which copies are available on request by the Regulator:

- The Editors' Code
- Staff Handbook

3.0 Compliance Procedures

How the Regulated Entity deals with:

.

3.1 Compliance with the Editor's Code

Copies of the Editor's Code are supplied to all journalists as well as copies listed on the shared drives. The code was updated on January 1 2021 and new copies supplied as appropriate.

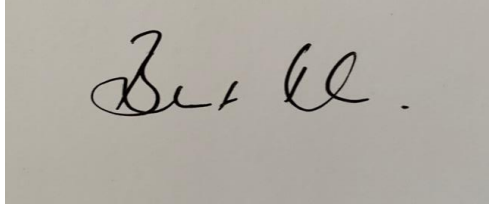

If the Regulator should find against a publication in the course of assessing a complaint, the publication would comply with the findings and any remedial action required.

3.2 Training of Staff

Housebuilder Media arranges regular training for staff. New joiners are supplied with a staff handbook and copy of the Editors Code.

4.0 Adverse Adjudications

There have been no adverse adjudications against Housebuilder Media.

A rectangular grey box containing a handwritten signature in black ink. The signature appears to be 'B. L.' with a period at the end.
